

24/7 LANE CLOSURE NOTICE

CONTRAFLOW ON KAMEHAMEHA HIGHWAY

BETWEEN MIDDLE STREET AND PUUHALE ROAD

MONDAY, AUGUST 17 TO FRIDAY, OCTOBER 23, 2020

TRAFFIC PLANS

- Beginning Monday, August 17, the eastbound lanes of Kamehameha Highway between Middle Street and Laumaka Street will be closed on a full-time basis through Friday, October 23, to construct columns for the Honolulu Rail Transit Project.
- Two-way traffic will be maintained in the westbound lanes of Kamehameha Highway via contraflow.
- Left turns will be restricted from Kamehameha Highway within the work area.
- For public safety, pedestrians will be detoured around the project area. For bus schedule information, visit www.TheBus.org or call (808) 848-5555. For real-time bus arrival information, visit hea.thebus.org.

If you have any questions or comments, please call HART's 24-Hour Project Hotline at **(808) 566-2299**. You can also visit the project website at www.HonoluluTransit.org.

DRIVE WITH ALOHA AND ARRIVE ALIVE

Watch for workers ◆ Safety is everyone's kuleana

Use these tips to keep workers, pedestrians and motorists safe.

If you see orange cones, put down the phone even in crosswalks

Slow down and obey posted speed limits

Watch out for workers, they may be just feet
away from the road.

Share the road. Don't tailgate cars and bicyclists.

We get everyone home safely, everyday

NIGHT WORK

The Department of Health has approved a variance for Community Noise Control for night work activities related to the Airport Guideway and Stations segment of the Honolulu Rail Transit Project.

Standard construction equipment, such as bulldozers, excavators, soil augers, backhoes, graders, pavers, mixers, trucks, cranes, saws, generators, compressors and pumps, shall be allowed 24 hours a day during project construction.

Light impact equipment, such as jackhammers, pavement saws and pavement breakers, will be limited to specific night hours in accordance with DOH's approved variance.

If you have any questions, comments,
or complaints about night work
and associated noise, please contact
